Forecast For The United Kingdom
Issued by Met Office Exeter
at 1600 on Wednesday 27 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Further heavy rain for western parts.

This Evening and Tonight:
Rain, heavy at times, persisting across parts of northern England, southern Scotland, Wales and perhaps Northern Ireland. Clearer and showery further north, whilst southern and eastern England remain mostly dry and very mild. Windy.

Thursday:
Further rain, heavy at times, affecting northern England, southern Scotland, more of Wales then southwest England. Brighter with showers in the northwest, whilst staying mild and dry in the southeast.

Outlook for Friday to Sunday:
Changeable with bands of rain and showers, heavy at times, and often windy. Sunny/clear spells in between. Temperatures around to slightly below the average for the time of year.
